We're out to petition and will be submitting petitions very soon. I'll likely be the only person submitting them and I will probably stick to sending a batch once per day.

Is Mario our correct contact: mario.montez@lacity.org?

And should I cc. anyone else in the Clerk's office, or is that unnecessary clogging of your inboxes?

Thanks - as always!

Warmest regards,

City Petition

I know that the Clerk won't sign until we get closer to our 50% + \$1, but I wanted to send you the City's petition, because I doubt you'll get your package :) The Assessor's address info for city parcels is incomplete enough that I expect they may not arrive.

So I also thought I'd give this to you electronically as well :)

The larger assessment is for the Public Works Building; the smaller for Fire Station #10. 6.229% total.
